The theme for the month is...

## Honesty

August brings us all back together again to start off our new Scouting Year! Telling the truth and being worthy of trust is especially important when starting school again. It's a time of new beginnings and making new friends. Being honest and trustworthy is always a good thing.

Worked on your Photography belt loop or pin over the summer? Bring your pictures to Back to the Pack and share them with us!

August is the perfect month to schedule a time to take the family fishing. Grab the fishing poles and some bait and head down to the water for some fishing fun! Don't forget to use the proper safety procedures to earn the belt loop or pin!

## Back to the Pack

Tuskawilla Presbyterian Church  
Saturday, August 20th  
3pm - 6pm

Come Back to the Pack at TPC on August 20th for an action-packed Derby Day! We'll start out with the Space Derby (don't worry if you don't have a kit - you can borrow one of our pre-made rockets) to see whose vessel can fly! A pizza dinner will be served but feel free to bring a salad, side dish or dessert to share while we take a break from the fun to chat with our friends and catch up. After dinner the Pack-wide Pinewood Derby will commence. You can cut out a new car or bring a car that's already been raced - this isn't for a title but a glimpse of what's to come for this Scouting Year!

## National Vietnam War Museum Commissioner's Meeting

3400 N. Tanner Road  
Orlando, FL  
407-601-2864

Tuesday, August 9th  
6:00pm

Are you ready to help out the Vietnam War Museum?  
Bring your Scout in uniform to the Commissioner's Meeting at the War Museum on Tuesday, August 9th at 6:00pm. They are asking to expand their facility in order to enlarge their exhibits and offer more history from that tumultuous time.

We recently visited the National Vietnam War Museum on Saturday, July 9th. Our Tour Guides took us through the museum exhibits with detailed explanations and answered every question that was asked with patience and knowledge. They showed us many military vehicles and allowed the boys to explore them close up and even brought out the flak jacket and other actual military regalia so the boys could get a real experience of what it was like for our soldiers during the war.

If you are able, we encourage you to support this fantastic museum and worthy cause.

## Kids In Support of Soldiers (KISS)

200 Concord Drive  
Casselberry, FL

Saturday, August 13th  
10am

Last month saw us collecting items to be shipped overseas to our active duty military personnel. We collected enough items for 17 boxes! A HUGE thank you to all that participated in collecting the items and the money to ship them.

KISS will be putting packages together to send overseas for our troops. This event is being held at the Casselberry Veterans and Auxiliary building beginning at 10am. The items are already donated, they just need help putting them into the packages.

If you would like to help put these packages together, please email Julie at [cubmasterpack631@aol.com](mailto:cubmasterpack631@aol.com). Scouts do not need to be in uniform but we do request that they wear their Pack T-shirts and turn in any service hours worked to Julie.

## THANK YOU

Thank you to all the Scouts and their families who attended our Summertime Events! We had a lot of fun at Fantasy of Flight and our Day of Flight Pack Meeting in June was out of this world (just like the soda bottle rockets!)

July renewed our Patriotism and Courage with a visit to the National Vietnam War Museum where the boys and their families toured many military vehicles, were shown war artifacts, and given a first-count history lesson by the men that fought for our country in that war. We finished off the month with a Military Courage Pack Meeting with soldiers from the Air Force, Army, Navy, and Young Marines. Our Scouts really thrived on the obstacle course and took great aim in the war zone.

**Thank you all for a fabulous summer!**

# Pack 631 Recycles...

## **RECYCLING NEWS**

Our Recycling Program benefits animals injured by vehicles, loss of habitat and other calamities. The Scouts are rewarded with a thank you item at the end of the Scouting year but the animals are rewarded each day by having a safe place to live, recuperate, and otherwise grow and flourish, all thanks to the Pack 631 Recycling Program!

Back to Nature is a Wildlife Refuge that cares for wild animals that have been injured and for exotic animals that people have purchased and either abandoned or given up due to their care needs. Each critter that we adopt will cost us \$25. Help us adopt as many as we can and support Back to Nature, too!

Back to Nature will conduct group tours of its facility for a donation of \$5 per person with a minimum of 10 in the group. The Refuge is located 6 and a half miles east of Alafaya Trail on Highway 50. They can be reached at 407-568-5138 and also at [www.btn-wildlife.org](http://www.btn-wildlife.org).

While visiting Back to Nature, you might consider making a donation from their Wish List. Several of the items needed regularly are dry & canned dog food, dry & canned cat food, wild bird seed, cracked corn/10% sweet feed, clean used towels, sheets, blankets, and t-shirts, bleach and Dawn dish detergent, paper towels, gallon & sandwich-sized ziplock baggies, and trash bags of the 13-, 39-, 45-, and 55-gallon variety.

Bring your aluminum cans to your Den Meetings or the monthly Pack Meetings. Please attach your Scout's name on a piece of paper so they receive credit! Any questions about dropping off cans, please see Justino Miranda. Should you have a question about our Recycling Program in general, see Lynn Fay.
