The theme for the month is...

## Citizenship

November brings about the nation's largest food drive with Scouting For Food. Our Scouts will be working on their Citizenship values as they distribute bags throughout the community the first Saturday of the month and return the next Saturday to pick them up filled with food. Scouts will then deliver the collection to the Second Harvest Food Bank's tractor trailer to see the results of their labors.

Learn about Great Citizens this month by thanking those that give and have given so much for our wonderful country.

Basketball is a great sport to learn indoors when the weather turns colder. Work on earning that belt loop or pin!

The Four Rules of Personal Safety

Tuesday, November 8th  
Thursday, November 10th

The safety of our Scouts is of the utmost importance to us. With that in mind, we will be showing the BSA video, "It Happened to Me" during our November Den Meetings. This video teaches the Scouts the four rules of personal safety through various scenarios that are designed for children ages 6 and up.

Parents and Guardians are required to be with the Scouts when the video is shown.

# Pack 631 Recycles...

## **RECYCLING NEWS**

Our Recycling Program benefits animals injured by vehicles, loss of habitat and other calamities. The Scouts are rewarded with a thank you item at the end of the Scouting year but the animals are rewarded each day by having a safe place to live, recuperate, and otherwise grow and flourish, all thanks to the Pack 631 Recycling Program!

Back to Nature is a Wildlife Refuge that cares for wild animals that have been injured and for exotic animals that people have purchased and either abandoned or given up due to their care needs. Each critter that we adopt will cost us \$25. Help us adopt as many as we can and support Back to Nature, too!

Back to Nature will conduct group tours of its facility for a donation of \$5 per person with a minimum of 10 in the group. The Refuge is located 6 and a half miles east of Alafaya Trail on Highway 50. They can be reached at 407-568-5138 and also at [www.btn-wildlife.org](http://www.btn-wildlife.org).

While visiting Back to Nature, you might consider making a donation from their Wish List. Several of the items needed regularly are dry & canned dog food, dry & canned cat food, wild bird seed, cracked corn/10% sweet feed, clean used towels, sheets, blankets, and t-shirts, bleach and Dawn dish detergent, paper towels, gallon & sandwich-sized ziplock baggies, and trash bags of the 13-, 39-, 45-, and 55-gallon variety.

Bring your aluminum cans to your Den Meetings or the monthly Pack Meetings. Please attach your Scout's name on a piece of paper so they receive credit! Any questions about dropping off cans, please see Randy Johnston. Should you have a question about our Recycling Program in general, see Lynn Fay.
