The theme for the month is...

Responsibility

October is all about Responsibility for our Cub Scouts. October is Fire Safety month - work with your Scout on creating a Fire Safety Plan for your family and practice it. Don't forget to teach them fire safety rules for campfires! Halloween also presents opportunities for our Scouts to practice Responsibility. A Responsible Scout will get his goodies approved by Mom and Dad before eating them!

When the rain comes down this month, work on the Computer belt loop or pin. Learn about staying safe on the internet.

As the weather cools down, head out for some Golf. Learn the rules of the game and safety issues and earn that belt loop and/or pin!

9:30am

Each year our Chartered Organization, Tuskawilla Presbyterian Church, puts on a Community-wide Hoedown. There is great food, music, and entertainment for everyone!

Our Scouts will be helping to set up for this wonderful event! We are asking that the Scouts arrive in their green Pack 631 shirts at 9:30am. The boys will be helping to set up tables and chairs and generally helping wherever the event planners need it.

The event officially begins at noon and we invite you to hang around for a while, eat, and relax!

It Happened to Me

The Four Rules of Personal Safety

Dates to be announced soon!

The safety of our Scouts is of the utmost importance to us.

With that in mind, we will be showing the BSA video, "It Happened to Me" during our November Den Meetings. This video teaches the Scouts the four rules of personal safety through various scenarios that are designed for children ages 6 and up.

Parents and Guardians are required to be with the Scouts when the video is shown.

We will be holding a Preview of the video for parents/guardians ONLY to help prepare you for the topics covered. Our tentative date for this is *Thursday, October 13th* at 6:00pm.

Please watch your inbox for more specific information and any updates.

A letter with more information will be coming soon.

Pack 631 Recycles...

RECYCLING NEWS

Our Recycling Program benefits animals injured by vehicles, loss of habitat and other calamities. The Scouts are rewarded with a thank you item at the end of the Scouting year but the animals are rewarded each day by having a safe place to live, recuperate, and otherwise grow and flourish, all thanks to the Pack 631 Recycling Program!

Back to Nature is a Wildlife Refuge that cares for wild animals that have been injured and for exotic animals that people have purchased and either abandoned or given up due to their care needs. Each critter that we adopt will cost us \$25. Help us adopt as many as we can and support Back to Nature, too!

Back to Nature will conduct group tours of its facility for a donation of \$5 per person with a minimum of 10 in the group. The Refuge is located 6 and a half miles east of Alafaya Trail on Highway 50. They can be reached at 407-568-5138 and also at www.btn-wildlife.org.

While visiting Back to Nature, you might consider making a donation from their Wish List. Several of the items needed regularly are dry & canned dog food, dry & canned cat food, wild bird seed, cracked corn/10% sweet feed, clean used towels, sheets, blankets, and t-shirts, bleach and Dawn dish detergent, paper towels, gallon & sandwich-sized ziplock baggies, and trash bags of the 13-, 39-, 45-, and 55-gallon variety.

Bring your aluminum cans to your Den Meetings or the monthly Pack Meetings. Please attach your Scout's name on a piece of paper so they receive credit! Any questions about dropping off cans, please see Justino Miranda. Should you have a question about our Recycling Program in general, see Lynn Fay.
