

# The Square Knot

The Square Knot is also known as the joining knot because it can join two ropes and it is also the first knot Scouts learn when they join Cub Scouts.

To tie a Square Knot:

1. Hold one rope in each hand.
2. Pass the right end over and under the rope in your left hand and pull it snug.
3. Next, pass the rope in that's now in your left hand over and under the one that's now in your right hand and pull it snug.

Remember: **Right over left, left over right.**
